

## RIVERSHORE PLACE

### **PROJECT OVERVIEW:**

Project:	3 building, Class A office project.
Year Built:	1999 - 2006.
Total SF:	80,000 SF.
Construction:	Brick and Glass.
Location:	Eagle, Idaho - Southwest corner of Eagle and Rivershore.
Amenities:	Beautiful views of the Boise River.

Rivershore Place represents the beautiful architecture and character of commercial development in Eagle, Idaho. A development of Dennis Baker's, Rivershore Place incorporates the unique environmental features surrounding the property into it's design from. The buildings are positioned for perfect views of the Boise River and use river rock in the building facades. The project represents the wide range of properties we have helped our clients bring to market over the years with it's individual style and Eagle location making it a unique offering in the Treasure Valley.
